No. 711-Cons/45 dated 15th January 1946.

Sir,

Sub: Government Silk Filatures, Kollegal - Lancashire Boilers purchased - Transport of - Insurance-charges paid - Sanction - Requesting.

Ref: G.O.No.17, Development, dated 8-1-43 and Ms. 2362, Development dated 23-9-43.

In connection with the construction of Government Silk Filatures, Kollegal, two Lancashire boilers which were purchased (1) at Palimitta, Nellore District and (2) at Adoni, Bellary District were transported by road and rail from the respective places to Government Silk Filatures, Kollegal a distance of 40 miles from Maddur R.S. As the boilers were second hand ones and were required urgently at Kollegal for war work it was considered safe in the interest of Government to have the boilers insured against any damage or breakage to the equipment in the course of transport by rail and road. Accordingly,

p.t.o.

the first Lancashire boiler with accessories and the accessories only of the second Lancashire boiler were insured with Messrs. Marshall Sons & Co., (India) Ltd., Madras, and an expenditure of Rs.247-8-0 and Rs.112-8-0 was incurred towards Insurance charges of ~~this~~ the two boilers respectively.

In the case of the second Lancashire boiler, six fire bars and two fire bar seatings costing Rs.147-12-0 were broken in transit and Messrs. Marshall Sons & Co., replaced the broken parts with new ones. The Accountant General, Madras in his audit note has stated that sanction of Government is necessary and may be obtained for the payment of Insurance charges under article 319 of the Madras Finance Code, Volume I.

I therefore request that Government may be pleased to accord sanction for the expenditure of Rs.360/- referred to above incurred in respect of the two Lancashire boilers towards insurance charges.

for Director of Industries & Commerce.

With reference to the remarks of Finance at 'A' p 1 above, it is for consideration whether, in view of 'H' at p 2 of, the D.D & C. will be informed as desired by the Finance dept. If so, the draft order at p 1 above has been amended accordingly. For orders whether it may issue as amended.

x para 2 added on p 2 ink

29/1/46 29.1.46

For orders as to whether Para 2 of the draft is really necessary - I doubt it & it is fractionally wrong. The insurance was also against damage not merely against breakage.

29/1/46

Dfw Dept was wise in inserting these words.

Para 2 should be deleted.
